Top: Jubilee and April at the Top of the Rock

Right: Girls announcing our new addition!

Taking a Bite Out of the Big Apple

June has proven to be a month filled with new sights, unexpected adventures, and countless blessings for the NYC summer project. From meeting with students on campus, cultural dinners, acts of service in the community, growing through evangelism training, Bible studies, sharing our testimonies, and one-on-one discipleship, God has displayed his unlimited power in many ways during the project.

Our team of 30 was able to minister on 8 different campuses in the city such as NYU, Columbia College, City College, and Medgar Evers College. In addition to having spiritual conversations on campus, we were also able to share the Gospel during our service projects and through living intentionally with people in the city. During our time in the city, we were able to see 325 initiated conversations, 216 spiritual conversations, the Gospel was presented 131 times, and one person trusted in Christ as their personal Savior!

Here is what a few of our students are saying about how the Lord moved in their lives this summer:

"I shared my faith for the first time this summer. I was amazed at how the Holy Spirit guided me to passages that certainly increased my knowledge on salvation and how to go about sharing that knowledge." - Jubilee (one of our students from Campbell Univ.)

"Through this summer project, I learned how important it is to live an intentional lifestyle to glorify God. It's been awesome to share the love of Christ with college students all over NYC, and I am thankful to have taken part in the advancement of God's kingdom." -Matthew

Thank you for stepping out in faith with us to bring the Gospel to NYC this summer!

In other family news, we are excited to announce that we will be having a new addition to our family in January 2015. We are so excited about this blessing from the Lord. Kinsley makes sure to tell EVERYONE that mommy has a baby in her tummy! Please pray for the health of both April and the baby!!

Prayer Requests:

- Praise for our new addition on the way!
- Pray for energy, strength, and wisdom as we kickoff the crazy fall semester in two weeks. Pray that God would move, open doors, bring favor from the administration, and fruit would be produced!
- Pray for all the freshman who will be coming to campus in the fall. Pray that we would be able to effectively reach each of them. We will be hosting a huge outreach called the Maze on Aug. 26 and 27 at UNCP and Fayetteville State. Pray that God would be preparing hearts and the Lord would go before us and work out all the details.
